Primary Care Where You Live

Holy Cross Health is a system of connected hospitals, primary care out patient practices, specialized care centers and services, and innovative community-based services. For more than 60 years, we have provided high-quality, compassionate health care services to Montgomery, Prince George's counties, and the Washington Metropolitan area.

When you join Holy Cross Health, you have access to:

- ✓ High-quality, leading-edge care from our affiliated medical and surgical specialists
- ✓ Electronic medical record keeping for around-the-clock, secure access to your records and a streamlined transition to award-winning hospital care at Holy Cross Hospital and Holy Cross Germantown Hospital
- ✓ A wide range of health education and wellness programs, many of which are free and offered in multiple convenient community locations.
