On behalf of all the babies whose lives will be touched by your generosity...**THANK YOU!**

Giraffe Incubator

A full-featured incubator and a radiant warmer in one. The integrated features create an all-in-one neonatal care station. The Giraffe Incubator combines advanced technology, exceptional performance, and innovative design to provide an excellent, developmentally supportive, family-centered critical care environment for newborns.

With so much of what they need right at their fingertips, providers will be able to deliver the quality care they always have, while continuing to dedicate even more time to patients and their families.

Thank you for bringing this important equipment to the Neonatal Care Unit at Holy Cross Germantown Hospital.
