

Maternity Care Designed to Enhance the Physician and Patient Experience

Holy Cross Germantown Hospital's maternity facilities and services were designed with the guidance of obstetricians, and bring the same level of compassionate expertise and comprehensive care for which Holy Cross is known.

Our Maternity Facilities

- Our **perinatal care areas are integrated on the third floor**, combining all the expertise into one area:
 - Antepartum private rooms
 - Full-service labor and delivery rooms
 - Dedicated cesarean section operating rooms (2)
 - Private postnatal maternity suites
 - Eight-bed, Level II Neonatal Unit with private rooms, able to care for babies who are born two months early or who require being on a ventilator for less than 24 hours a day
 - Family lounge close to mom and baby
 - Lactation lounge, consultant and telephone support for breast-feeding moms
- On-site **prenatal care clinic** for mothers who face financial barriers
- Large L&D rooms with the **latest fetal monitoring and infant warmer technology**
- **Comfortable maternity suites** featuring private baths and room for family to stay overnight, in-room bassinets for newborns, wireless Internet access and cable television
- The Neonatal Unit offers **live video feed** of newborns and takes **pediatrician referrals** of infants who require phototherapy or sepsis evaluation for hyperbilirubinemia

Our Support for Obstetricians

- **Around-the-clock support** from experienced laborists, anesthesiologists and neonatologists; on-call perinatologists
- **Cesarean section** capability, 24 hours a day, seven days a week
- **Call rooms** available for late-night deliveries
- **Constant remote access to patients' integrated medical records**, allowing physicians to check on progress via computer from home or elsewhere
- **A staff of infant and maternal health experts.** Nurses have a minimum of two years' experience, with an average of 10 to 15 years of experience
- A **smooth credentialing process** that can take as few as 35 days

Now is a great time for OB/GYN physicians to join Holy Cross Germantown Hospital. Upper Montgomery County is the fastest-growing region in the county, with many young families moving to the area.

For more information, call 301-557-6026, or visit HolyCrossHealth.org.

“The Maternity Center has a cohesive team in labor and delivery. Everyone communicates well, is flexible and helpful. It’s a great feeling to have the utmost confidence in the hospital where you bring your patients...When a patient of mine arrives here, I know she will receive a level of care other facilities cannot match.”

- Leslie Masiky, MD, obstetrician and gynecologist
